Below are the instructions for assessing the website.

**Before accessing the document sharing website non-EPA persons will need to register** at the following website <https://epagpx.rtp.epa.gov> ( click - "New Extranet User Registration"). List me (Brandon Perkins and use my email <[perkins.brandon@epa.gov](mailto:perkins.brandon@epa.gov)>) as the sponsor on the registration form. The form will allow you to create a password and user name (usually first <space> last name). Upon completion of the registration form I will approve the registration request. It takes about a day for the system to create your account. Please let me know if you have any questions.

I'm responding to your 8/20/12 FOIA request for a copy of the Preliminary Assessment Report for the Flint Hills North Pole Refinery. It is now publically available. I can give you a link to our document sharing site for you to download it electronically or I can send a hard copy to you. What is the best way to get it to you?
